FILE Reports 5

MEMORANDUM FOR: Acting Chief, Policy and Plans Group

FROM:

[REDACTED]  
Deputy Director of Security (PTOS)

SUBJECT:

Entries for the DDA Log  
6 - 12 March 1980 (U)

1. On 8 March, the Information Systems Security Group sponsored a briefing by the Chairman of the Department of Defense Computer Security Consortium on his proposal to develop an Intelligence Community sponsored group which would evaluate data processing products. The purpose would be to develop an approved products list which could then be used in selecting systems for the processing of classified data. Also in attendance were representatives from the Office of Research and Development, Office of Data Processing, Information Management Staff/DDO, and the Information Handling Task Group. (U)

2. On 11 March, the Industrial Hygienist previewed five films on radiological health and safety for use in a projected basic radiation safety course for the Office of Technical Service [REDACTED] (U)

25X1

3. On 11 March, two members of the Office met with representatives of the Office of Technical Service and the Federal Bureau of Investigation at South Building to discuss [REDACTED] ty. (S)

25X1

4. On 11 and 12 March, physical and technical security support was provided to senior Agency officers testifying before the Defense Subcommittee of the House Appropriations Committee. (U)
